CLASSIC

TRIED, TESTED, AND TRUE

The deck surface in 60 or 80 mil thickness is high quality, heat-weldable, and designed to accept foot traffic. Brick, Granite, Bronze, and Solid Grey offer a functional and traditional feel with cutting edge technology. Our Classic colors compliment and accentuate an outdoor space, whether it's a deck, patio, boathouse, walkway or stairs. Dec-Tec's protection factor can't be beat with excellent slip resistance and waterproofing. Dec-Tec boasts numerous green properties and comes with a 20-year warranty (80 mil only). All necessary accessories are included for your project to achieve a flawless finish.

FEATURES:

- Spread-coat construction eliminates delamination
- Excellent vinyl to vinyl weldability
- Membrane flashings can be created in the field
- Will not propagate flame
- UV stabilized
- Anti-microbial
- 10 year limited warranty on 60 mil membrane
- 20 year limited warranty on 80 mil membrane
- Virtually no maintenance required - washing and removal of leaves and debris as necessary.
- Refer to Dec-Tec.com/downloads for the Dec-Tec maintenance guide.
