

CLASSIC

TRIED, TESTED, AND TRUE

The Guardian and Select deck surface in 60 and 80 mil thickness is high quality, heat-weldable, and designed to accept foot traffic. Brick, Granite, Bronze, and Solid Grey offer a functional and traditional feel with cutting edge membrane technology. Our classic colors compliment and accentuate an outdoor space, whether it's a deck, patio, boathouse, walkway or stairs. Dec-Tec's protection factor can't be beat with excellent slip resistance and waterproofing. Dec-Tec boasts numerous green properties and comes with a 20-year warranty (80 mil only). All necessary accessories are included for your project to achieve a flawless finish.

LIMITATIONS

Do not allow Dec-Tec membrane to come into contact with any incompatible materials, such as: bituminous based roofing and waterproofing products, oils, solvents, sealants, etc. Do not install Dec-Tec over on-grade concrete slab applications. Do not install Dec-Tec on substrates with less than 2% slope.

FEATURES:

- 10 & 20-year limited warranty
- Spreadcoat construction eliminates delamination
- Guardian membrane will not shrink
- Internal fiberglass reinforcement (Guardian)
- Internal polyester reinforcement (Select)
- Excellent vinyl to vinyl weldability
- Membrane flashings can be created in the field
- Will not propagate flame
- Meets ULC-S107 / UL790 criteria
- UV stabilized
- Anti-microbial
- Color(s): Solid Grey, Bronze, Granite, Brick

PACKAGING:

- Single Rolls at 76" x 50'
- Single Rolls at 76" x 100' (80 mil / max roll size for 3 roll rack)
- Single Rolls at 76" x 300' (60 mil / max roll size for 3 roll rack)
- Master Rolls at 76" x 600'
- Cut to size
